

# TAKE PRIDE IN *Florida* Needs Your Help ...

Four major hurricanes landed on Florida's shores in just six weeks! And Floridians have demonstrated indomitable strength and humanitarian spirit as they help their neighbors across the street – and across the state – to rebuild and recover. Along with damage to resident's homes, businesses and properties, Florida's treasured public lands were also affected by the storms. Florida's beaches, waterways, and other public spaces need your help.

*...Answer the Call by Lending Your Hands!*

Take Pride in Florida and the national Take Pride in America<sup>®</sup> program invite you to help support the hurricane recovery effort.

PLEASE CONSIDER A PLEDGE OF HOURS ON BEHALF OF YOUR ORGANIZATION WHICH REPRESENTS YOUR COMMITMENT TO VOLUNTEER WORK ON PUBLIC LANDS DURING THE NEXT YEAR FOR BOTH HURRICANE RECOVERY AND GENERAL SUPPORT.
